POMPEY FOR DERBY

Trainer Sends Word to Downs Colt Will Be Sure Starter.

Haste Given a Final Workout Before Being Shipped to Belmont Park.

LOUISVILLE, Ky., April 19.—All doubts that had existed in the minds of local turfmen regarding W. R. Coe's great colt Pompey being shipped to Churchill Downs to fill his engagement in the forthcoming renewal of the Kentucky Derby were dispelled this morning by the receipt of a letter by one of the higher officials of the Kentucky Jockey Club from W. Karrick, the colt's trainer, in which it was stated positively that the son of Sun Briar and Cleopatra would arrive on the battle grounds of the great race on the morning of May 11, four days prior to the running of the Derby. The letter also stated that Pompey would be a certain starter in the Derby and that he would be accompanied here by his stablemate, Black Maria, also a Derby eligible, but which would not start in the race. Instead Black Maria, a daughter of Black Toney and Bird Loose, would be a starter in the Kentucky Oaks, to which race she is one of the eligibles. Mr. Karrick's letter also confirmed prior reports that Pompey was taking his training soundly at Belmont Park and that judging by the advance he was making in his preparation that he would be a fit horse when he landed at Churchill Downs.

BANTON'S FAST GALLOP.

J. E. Widener's crack colt Haste was given his final workout over the Churchill Downs course this morning preparatory to being shipped Tuesday morning to Belmont Park, where his preparation for the great race will be concluded. Haste and the others of the extensive J. E. Widener string will be shipped by special train and will go along with the stables of J. E. Madden and Emil Herz. Haste's final try out was a satisfactory one and showed that he is well advanced in his training. In the company of Paavo, Fair Wind and Federal, Haste was galloped five-eighths in 1:05⅕, going the quarter in :26 and the half in :51. For the first time this spring Earl Sande was aboard the sterling son of Maintenant and Mrs. Malaprop and he had the colt well in hand all the way. The quartet broke at the half-mile post and Haste led the parade for the entire way, running like a piece of well oiled machinery. He displayed a strong disposition to run away from his stablemates, but was prevented by Sande's restraining hold. Socialist and Profiteer, the stable's other Derby eligibles, were not called upon for any final work.

The speediest work of the season and one that gave trainers of other Derby eligibles food for reflection was witnessed at Douglas Park Sunday afternoon when Alex Gordon's Banton ran three-quarters in the fast time of 1:13⅘ and pulled up sound. The work was the final test on the local track for the son of Cudgel and Little Rock, for Tuesday morning he, in the company of the Bud Fisher horses in charge of Mr. Gordon, will be transferred to Belmont Park. As in all of his late gallops Banton was accompanied by Cartoonist as pacemaker. The latter essayed to keep up with the Derby colt for the first half, but found the pace too fast and was forced to drop back. Banton was eager to run and the watches caught the quarter in :24, three-eighths in :35⅘, half in :48, five-eighths in 1:01⅘ and the three-quarters in 1:13⅘. It was easily the most impressive trial shown this season.

MANTONIAN IMPRESSES.

H. T. Archibald's French colt, Mantonian, made a good impression when he galloped a mile in 1:46 under restraint all the way. Tamale Dick went out with a stablemate and galloped a half mile in :54⅖.

The Keeneland Stud's main Derby hope, Champ de Mars, created a most favorable impression at Churchill Downs Monday morning when he rattled off three-quarters in the creditable time of 1:17⅖, running the quarter in :24⅗ and the half in :50⅕. Mike McLuke, a stablemate, went out with the son of War Star and Yellow Blossom, but could not keep up with him.

E. B. McLean's Derby candidate, Prince of Wales, turned in a creditable work when he went out accompanied by The Engineer and ran the three-eighths in :37⅕, racing the quarter in :23⅕. The work was in the nature of a preparation for a try out at one mile Tuesday.

H. P. Whitney's Dedans went a half mile in :52⅗. The Benton Farm Stable's Timothy went three-quarters in 1:17 and Musician, his stablemate, went a similar distance in 1:17⅘.

The fastest work of the season at Churchill Downs was recorded when Don Diego, a two-year-old owned by the Keeneland Stud, displayed keen speed by negotiating three-eighths in :34⅖, going the quarter in the fast time of :22⅘. This is easily the best

PUZZLE OF CHANCE PLAY

Declaration of Log Cabin Star From Withers Unexplained

Failure to Develop as Expected or Trainer's Mistake Cited as Possibilities.

BY CAPT. DENIS KETTLE.

NEW YORK, N. Y., April 19.—One of the most curious and baffling transactions that has come to light in the formulation of campaigns for the three-year-olds this year is the striking of Chance Play, the Log Cabin Stable's leading three-year-old candidate, from the Withers Stakes.

The Withers is, with one exception, the richest plum on the Jockey Club spring calendar for colts of the age of three. For the last two years it has yielded a net prize of $19,000 to the winner, surpassed only by the Belmont Stakes.

In tradition it is likewise second only to the Belmont. For more than fifty years—it was first run for in 1874—it has been the standout mile event for three-year-olds in American racing. Owners of potential champions have invariably looked upon the "double" of the Withers and Belmont as the ultimate desideratum; the Withers proved speed, the Belmont endurance, and those horses that have won both have almost invariably been accepted not only as champions but as prospective sires with their stud patronage assured.

Are we to assume then that Chance Play's progress—or lack of progress—through the early winter was such that his trainer was convinced he was not worth the $100 it would have cost to keep him eligible to the day of the race?

If so, it is a considerable facer for those who have looked on the son of Fair Play as one of the most promising of all the candidates for the three-year-old championship.

His performances last year gave every reason to hold him in such esteem. He was beaten only a length for all the money in the Futurity, finished a strong third and, according to jockey Ambrose, would have been at Pompey's throat if Canter had not

DEAD HEAT AT HUNTINGTON

Judges Unable to Separate First Two Horses at End of Sixth Race Monday.

HUNTINGTON, W. Va., April 19.—For the first time in the history of racing at the Tri-State Fair course a dead heat came with the running of the sixth race, which served as the feature attraction this afternoon. Lavinia and Arragosa fought it out, racing on almost even terms all during the final eighth and reached the finish so close together that the judges were unable to separate them. Air Mail came from behind in the last quarter to beat the others home. The dead heat was not run off, the purse being split.

Following the rain of yesterday the races were again contested over a muddy track and several of the contests were greatly reduced by scratching. Overhead conditions were favorable, however, but the weather was cold and the attendance light.

Closing with good courage through the stretch Noko outlasted General Seth during the final drive of the opening dash, which marked his maiden victory. General Seth tired after racing Ho-Horry into defeat.

Showing the most speed throughout, C. T. Worthington annexed the following race handily. Orphelin and Corenne divided the remainder of the purse after Black Art retired during the stretch run.

Taking command at once Thomas Piatt was never in serious trouble during the running of the third dash.

After being outpaced to the stretch in the fourth dash, Old Top closed with a rush on the outside of the leaders and nailed Kirk Lady, the pacemaker, in the last few yards.

The best finish of the afternoon came with the running of the fifth dash, when New Rival just got up in the final stride to snatch victory from Hindoostan.

William Cain took Old Top back today via the claiming route out of the fourth race for $1,100. Arragosa also returned to owner Cain, who secured him out of the sixth race for $2,100.

SARAZEN STARTS TODAY

HAVRE DE GRACE, Md., April 19.—The great and popular Sarazen is scheduled to make his debut here at Havre de Grace tomorrow in the Congressional Handicap. This race is evidently in the nature of a preliminary for the Dixie Handicap at Pimlico, for which he is being pointed to duplicate his success of last year.

POMPEY IN SPEED GALLOP

Great Colt Makes Impressive Showing in Workout.

J. E. Widener, J. E. Madden, H. C. Fisher and Rancocas Stable Horses Expected Within Next Few Days.

NEW YORK, N. Y., April 19.—W. R. Coe's Pompey, progressed another step in his training for the Kentucky Derby, when he displayed a high flight of speed in a seven-eighths dash over the main course at Belmont Park this morning. The bay son of Sun Briar—Cleopatra, accompanied by his stablemate, Black Maria, was brought out on the track shortly before eight o'clock. He was playful and full of life. The pair galloped slowly towards the mile post on the back stretch and, on a signal from trainer Karrick, started together from the seven-eighths post and worked back to the stand.

A high, cold wind was blowing at the time, but it did not seem to affect the speed of Pompey. Under steady restraint, he galloped through the first quarter in :23⅗, and on to the half in :47⅘, the colt was still under steady restraint and went the first five-eighths in 1:00⅗ and the three-quarters in 1:14⅗. Through the final eighth Pompey was well under restraint and finished the distance in 1:28. The work was an impressive one and he came back without taking a long breath. Black Maria ran along with him the entire journey.

Despite the cold blustery weather that prevailed at the Nassau county course today, there was considerable activity. Horsemen took full advantage of the slight improvement in the weather over the past few days and sent their charges along at a fast clip. Schooling activities at the barrier were of a spirited nature and upwards of two hundred juveniles were put through the pace under assistant Roy Dickerson.

The many improvements, under construction, were rushed along while a new force of men began to tear down the inner rail on the main track in front of the stand. The old wooden rail will be replaced by a steel and wood one, corresponding to the new one that borders the new seven-eighths straightaway. The main track will be thrown open in the course of the next few days when the grading on the chute is completed, where it crosses the main track.

Track superintendent Pels completed arrangements today to receive the stables of J. E. Widener, J. E. Madden and H. C. Fisher. The horses, eight carloads, will be

RACING AT MAPLE HEIGHTS

Arrangements for Spring Meeting Completed With $10,000 Ohio State Derby as Big Feature.

CLEVELAND, Ohio, April 19.—W. H. Faber, secretary and general manager of the Ohio State Jockey Club, which controls Maple Heights track announced on his return to the city that he had virtually completed all arrangements incidental to the opening of the annual spring meeting at Maple Heights, May 8 to 31, a period of twenty racing days.

The main attrtaction will be the fourth renewal of the Ohio State Derby for three-year-olds at a mile and an eighth, with an added value of $10,000. The conditions provide for penalties and allowances and will close May 15, the date upon which the historic Kentucky Derby will be decided and which usually furnishes considerable material and perhaps the winner of the rich classic as in the case the year Black Gold won both the Kentucky and Ohio Derbies.

W. R. Norvell who will serve as presiding judge and racing secretary at Maple Heights, has submitted the conditions for his program for the first ten days of the meeting and they are now in the hands of the printer and will be distributed among the horsemen within the next few days. The balance of the book will be made as near as is possible to suit the horses on the grounds.

Messers Joseph A. Murphy and John T. Ireland will be in charge of the racing department and will alternate on the closing and opening days at Beulah Park and Maple Heights respectively.

TRIPLE TEDDY VICTORY

(SPECIAL CABLEGRAM.)

PARIS, France, April 19.—Three sons of Teddy were victorious at Longchamps yesterday. In the Prix Marronniers, Marcel Soussac's Orion Cup was the winner. The same owner's Asterus, another son of the Cohn stallion, won the Prix Greffulhe, and Captain Cohn's Rayon Soleil completed the triple for his sire in the Prix Vanteaux.

WILSON-SALMON SILKS

Much in Evidence Monday at Havre de Grace Course.

Post Horn, Punjab and Phantom Fire Score Triple for New York Turfmen.

HAVRE DE GRACE, Md., April 19.—The Wilson-Salmon confederacy was much in evidence at Havre de Grace this afternoon when the colors of the New York Sportsmen were seen in front in the first, third and fourth races. Two of these victories were with Salmon horses, when Post Horn and Punjab won, while Phantom Fire scored for R. T. Wilson. Jack Price was carded as the trainer of all three and J. Maiben had the mount on two of them.

Punjab's victory was the most impressive of the trio. This Preakness eligible was in with a fair lot of three-year-olds in the Yarrow Brae Purse, a dash of three-quarters. He was a well backed favorite and showed a smashing good performance. Off slowly Maiben did not hurry Punjab any, being content to rate along with the rear division until after making the turn out of the back stretch. Then he shook Punjab up and the latter went around his rivals on the outside with a great burst of speed. Entering the home stretch he was taken wide and in the final eighth took an easy lead to win going away at the end from Dust up.

COLD, DISAGREEABLE DAY.

A cold raw day made outdoor sport anything but agreeable but despite this a large crowd was on hand. With a majority of the favorites winning, the public deemed it a fine day's sport despite the unpleasant weather.

The first race was much in the nature of a wild dash. There were thirteen starters and directly after the break there there was a lot of jostling in which Torrence and Encamp were the principal sufferers. Post Horn was quickest of them to get going and Maiben made the most of it, sending the Salmon colt to the front and in the early running carried Amy A. and Dexter along at a rapid pace. Entering the home stretch Dexter made his bid and for a time showed in front. Post Horn came again, however, responding with splendid courage under punishment and in the final drive outlasted Dexter to win by a nose. Amy A. was third another half length away. Torrence and Encamp had no chance and were taken up.

Red Pennant upset calculations when he made a runaway of the second race. In the early stages Dream Maker and Watts furnished keen opposition, but when straightened out for the final run Red Pennant began drawing away until he had a three length lead at the finish. Dream Maker was probably short at the top of the home stretch where the leaders went wide. Dream Maker hugged the rail and for a time looked dangerous. When the real test came, however, he began to tire and at the end Canister got up in the last few strides to beat him out for second place. Canister was on the outside the entire way and went very wide at the top of the stretch. With better luck she would likely have been a keen factor.

PHANTOM FIRE BY HEAD.

Favorite players were again fortunate in the third race when Phantom Fire managed to beat Golden Wanderer by a head after a long hard stretch drive. The winner was away well and quickly assuming the lead managed to remain in front under pressure all the way. He wanted to lay down in the stretch run and young Thompson was forced to put up one of those rousing finishes he so often displayed last year when he was rated as the best light rider in the East. Golden Wanderer made a desperate effort in the final eighth and at the end he was gradually wearing the leader down. Lanark, an outsider, was third. He ran a good race, despite the fact that he took the long route and went wide at the turns.

Golden Spire, a good performer at Miami last winter, made his first appearance at the meeting when he went to the post in the Edgewood Handicap, a dash of a mile and a sixteenth, for which Forecaster was a heavily backed favorite. Golden Spire was ridden by L. Morris and beat Prince Hamlet by a neck. Morris rode a patient race on the winner. He never made a move until well around the far turn, where he gradually worked his way to the leaders and in the run through the home stretch passed the tiring leaders. Prince Hamlet made a desperate effort the last sixteenth, coming from behind with a rush. Harvey rode an ill judged race on the favorite, Forecaster. Despite the latter's heavy impost Harvey rushed him around his rivals going to the first turn and forced the pace for three-quarters. It was certain that he would tire under these tactics, which he did and the finish found him last of his field.

A driving finish came with the running of the sixth race when Flint, Donarita and Rusovia fought it out all through the home

Here and There on the Turf

Club Steak's Future.
Carlaris and the Derby.
The Chicago Muddle.
Pompey's Progress.

Even though Club Steak is a daughter of Stake and Cap there is hardly an excuse for her name, but it is a name that is almost sure to go high in the two-year-old races of 1926. Stake and Cap, the dam of Mr. Jones' swift running filly, was the first winner of the Keene Memorial Stakes at Belmont Park in 1913 when she took the measure of Gainer. She raced for Thomas Fortune Ryan's Oak Ridge Stable and the Keene Memorial Stakes victory was her most notable achievement.

Club Steak, this daughter of her's to the mating of Meridian, is far and away the best two-year-old of either sex that has been brought to the races this year. Probably most of the two-year-olds that Club Steak beat in the Aberdeen Stakes on Saturday will be racing in claiming races before long. Undoubtedly the filly has not yet met anything like the contention she will find within another month of racing, but on her two races she must be considered at least as a dangerous possibility among the best. She won her races with such ease that it is at once suggested that she is capable of much better things.

And while discussing Club Steak it is interesting to note that Meridian bids fair to have his best year as a sire. True, he has had only limited opportunities since going into the stud. but the showing of his progeny this year has been excellent.

Besides Club Steak he has sent to the races for 1926 Noon, Matilda B., Lena Rinehart, Beatrice Noyes, Superline, Sphere and some others. These have all shown speed enough to suggest that they will at least be useful and it gives Meridian new importance as a stock horse.

Now that Carlaris has safely completed his long trip from Tijuana and is comfortably housed at Douglas Park in Louisville, there comes more interest in the doings of the candidates for the Kentucky Derby.

There is always a chance for accident in such a long journey and the fact that the colt arrived in excellent condition is cause for congratulation. He is on hand far enough before the running of the big race, on May 15, to have every opportunity to be entirely ready for its running and he should be able to confirm his brilliant victory in the Coffroth Handicap. Of course, Carlaris will be meeting an altogether different band that afternoon at Churchill Downs, but on paper it would seem that he has a distinct advantage over many of them in the matter of condition.

Another recent Kentucky Derby arrival from Tijuana and one that must be accorded consideration is Roycrofter, which finished second to Carlaris in the swiftly run mile and a quarter of the Coffroth Handicap. This colt is greatly improved and if it should so happen that the Derby has to be run over a track that is heavy and muddy, his chances will be greatly enhanced.

In the meantime candidates that accomplished infinitely more than either of these in the racing of last year are steadily coming along in their Kentucky Derby preparation until the 1926 renewal promises to furnish one of the greatest contests in the long history of the big race.

It is little short of calamitous that there still seems to be considerable friction among the racing associations of Chicago. That is evidenced by the announcements and the contradictions of announcements anent Hawthorne and the plans for a meeting at the old Cicero track.

The Illinois Jockey Club is out with a list of stakes for its meeting at the new course which is being constructed at Homewood and, according to Thomas Bourke, his club is not in perfect accord with Col. M. J. Winn and his associates who are building Lincoln Fields in Will County.

Both the Hawthorne track and the Homewood course are in Cook County and it has been generally understood that no attempt would be made to conduct racing under the "certificate plan," which so closely resembles mutuels, in that county. But Mr. Bourke is authority for the statement that such will be the system of wagering at the new course.

It is also known that the Illinois Jockey Club has endeavored to have the Hawthorne track returned to it for the conduct of the meeting this year and that is another angle to the general mix-up in turf affairs. In the meantime the failure of the different associations to come together in some sort of harmonious agreement threatens to wreck the whole racing season just when the turf future for Chicago seemed so bright.

It is to be remembered that the Illinois Jockey Club made a failure of its racing at Hawthorne and the return of the track is sought at this time to wipe out the memory of that failure; that is the reason that has been given by Mr. Bourke. Whether or not his club is to obtain control again remains to be seen, but just now the chance does not appear to be particularly bright. Then the second meeting with Joseph A. Murphy as its manager was not a financial success and there was a sale of the track option to Colonel Winn and his associates.

Joseph A. Murphy still speaks with authority about the future of Hawthorne and he may do so with good reason, but there is no denying that the prospects of racing near Chicago are still in much of a muddle that can do the sport no good.

Every time that W. R. Coe's Pompey appears on the track there is less reason to expect that he will not be ready for his engagement in the Kentucky Derby. His seven-eighths on Monday morning at Belmont Park in 1:28 was a workout that should prove beyond all question that he will be ready by May 15 for the Kentucky Derby's mile and a quarter. The progress of the son of Sun Briar and Cleopatra has been excellent and he need only continue to train as promisingly as he has in the past to be on hand for the running of the big race.

Dick Welles' Selections

At Havre De Grace

THERESA JOAN—DANGEROUS KITTY—THREE DS.

THERESA JOAN chased home a mighty good filly in Beatrice Noyes and a licking by the latter is no disgrace. There is no comparison between the class of Beatrice Noyes and the band THERESA JOAN will meet in the opening contest today, however, and W. Keating's filly should take the winner's share from DANGEROUS KITTY. The latter showed by her third to Sea Moss at Bowie that she's ready. For the show end THREE DS looks best. This colt has a nice way of going and has been in the money frequently in his races.

H. P .WHITNEY ENTRY—THE HEATHEN —LENA RINEHART.

With CAPRICORN and FLORIAN carrying his colors, it appears as if Harry Payne Whitney has a strangle hold on the two-year-old second race. Both have won, with CAPRICORN showing the most from a time standpoint. CAPRICORN wasn't forced to run last time out as his stablemate Miniator cinched the race early. The Dis Donc gelding may bear the brunt of the work today. THE HEATHEN and LENA RINEHART displayed enough speed in recent races to warrant picking them to fill the places.

APOSTLE—WELSHOT—TRAFFIC.

APOSTLE, WELSHOT and TRAFFIC should make the third race and finish as named. As good a colt as Timmara is reputed to be could only beat WELSHOT three lengths, while APOSTLE, under a strong pull, beat the Weston gelding four lengths. They will meet again today, and the result should be the same, APOSTLE first, WELSHOT second. TRAFFIC figures to be close. This Whitney miss is a sweet runner, and Saturday's tilt with TOYLAND gave her the needed honing.

SENATOR NORRIS—POLLY McWIGGLES —CINEMA.

H. G. Bedwell is making hay while the sun shines and while SENATOR NORRIS continues to hold his form. He has named this good Cudgel horse in today's fourth and fifth races. In the fourth his chances look best and has only one horse to beat, POLLY McWIGGLES. They met in the Harford Handicap opening day and were third and four h. Since then, however, SENATOR NORRIS has won one good race. He will have to give the filly a great deal of weight but should concede it and win. CINEMA at 97 pounds is well placed. This is exceedingly light weight for such a good one and she might step down for the winner's end. A play to be in the money is almost a sure thing.

SARAZEN—JOY SMOKE—SENATOR NORRIS.

Much will depend upon SARAZEN'S temper today. If the great little gelding is in a running mood he should tow-rope the band opposing him. If, however, he is in a sulking mood a common everyday plater can beat him. Max Hirsch has him ready. E. F. Whitney's speedy JOY SMOKE, in receipt of ten pounds from Mrs. Vanderbilt's gelding may be the runner-up. He wheeled in the Harford Handicap so there is no recent race for a line on his form but if he's ready he's a fast trick and capable of extending SARAZEN. SENATOR NORRIS has a better chance to win the fourth than he has in this race but if he goes here he will be hard to keep out of the money.

SWEPT—FRED DUBNER—GREEK FRIAR.

A large band of cheap platers meet in the sixth with SWEPT probably best. He was a good second to Montferrat last week and the same race repeated today should bring him home winner. Write your own ticket for the place. FRED DUBNER isn't much but may show great improvement if he runs to a recent workout. Since reaching Maryland GREEK FRIAR has picked up and his trial gallops were much better than his Miami races. He may be the one to show.

WILKES-BARRE—HIDALGO—ROXANA.

A misfit ride made WILKES-BARRE look bad last Thursday. In contrast with his three previous races that gallop was a knockout. Throw it out and string along with him to cop the final heat from HIDALGO and ROXANA. HIDALGO gets a slight drop in weight off his last, which he won. He likes the one to beat. ROXANA won a nice race from Lanoil and Gray Gables the other day and a repetition of that effort is good for a part here.

One best bet—SARAZEN, fifth race

MARYLAND TURF NOTES

HAVRE DE GRACE, Md., April 19.

J. P. Smith reports that the plater Carol has been taken down with a slight attack of fever.

Jockey O. Bourassa was an arrival from the Seagram farm at Waterloo, Canada, where he has been assisting trainer Bringloe in getting the Seagram horses into shape for the Toronto spring meeting. Bourassa will do the riding for the Seagram Stable at the Havre de Grace and Pimlico meetings. His engagements are being made by Charles Hagen.

Joe Bauer has arranged to pack his traps and leave with his horses for Jamaica at the conclusion of the present meeting. Frank J. Kearns will ship his racers to the same track some day next week.

When the racing at Havre de Grace comes to a close Frank Farrar and J. W. Lewis will send their horses to Aurora where a twenty-seven day meeting is scheduled for this spring.

Edward F. Whitney is expected here tomorrow. His departure from New York has been delayed for several days through a slight indisposition.

Mr. and Mrs. W. J. Salmon were at the course this morning bright and early watching trainer T. J. Healey put the Salmon racers through their paces. The Preakness Stakes candidates Ursa Major, Display and Flight of Time were all sent three-quarters: Display in 1:16⅗, and the other two in 1:18. Wilderness galloped three-quarters in 1:15⅘.

Jockey Douglas Fisher, who rode a number of winners at the Oriental Park meeting in Cuba, has signed up with the W. M. Jeffords stable.

Norman Kennedy, who suffered a broken limb as a result of a fall while riding through the field at Pimlico last fall, is up and about again. He was confined to his bed until Christmas and the plaster cast was not removed from his leg until February. Kennedy is still with the Brookmeade Stable, but will not be seen in the saddle until later in the season at Belmont Park.

Woods Garth has arranged to ship a division of the Garth stable to the Woodbine track immediately following the close of racing at Havre de Grace. Several of the jumpers in the stable will be included in the shipment. William Irvine also plans to send the Edward F. Whitney horses to Toronto after the Pimlico meeting.

Lieutenant Seas, the cross-country horse in the W. G. Wilson stable, is expected to reach Pimlico this afternoon. He is being shipped from Canada, where he has been in winter quarters at a farm near Toronto.

W. Irvine has taken up four two-year-olds which he had turned out at James Arthur's farm in the Long Green Valley. They are all home-breds. The plans are to reserve this quartet for the fall meetings in Maryland.

The Garths are considering offers made for the two good fillies Beatrice Noyes and Club Steak and a transfer will likely be made in the next few days.

J. HAYES STABLE'S DOUBLE

Variation and Royal Dick Carry Its Colors to Victory at Beulah Park.

COLUMBUS, Ohio, April 19.—The feature race of the Monday program at Beulah Park resulted in a well earned victory for J. Hayes' Variation, when the latter handily drew away from her rivals in the closing stages of the race. After racing in close quarters next the inner rail throughout, the winner found an opening rounding the turn for home and drew away from Hole Card, the early leader, in the final seventy yards.

Hole Card set a fast early pace, went a trifle wide on the turn for home but held on well and saved second place. Edmon of the Creech stable was a creditable third. The victory for Variation made it a double for the J. Hayes' stable, Royal Dick having scored in the third race.

A large crowd was again on hand to witness the sport despite the cold and uninviting weather.

John Hoshor scored a decisive victory in the opening race and, after showing the way throughout, was going away from his opponents at the finish. Liborio was best of the others for second place and P. Moody was third.

In the second race, Grenada, a five-year-old maiden racing for J. C. Foley, graduated from the ranks of nonwinners by defeating Uncle Velo in the last two strides after a keen stretch duel. Uncle Velo went to the front with a rush approaching the far turn, but was outgamed in a hard drive at the finish. Miss Emerson saved third place in this event, after taking the lead for a few yards in the back stretch.

The third resulted in a win for Royal Dick. After following Erlanger closely to the stretch the winner then moved up on the outside and drew away handily in the last sixteenth. Oneida defeated the tiring Erlanger for second place in the closing strides.

C. N. Freeman's Albert L. proved a surprise in annexing the fourth from a fast band of sprinters. The winner followed the early pace closely to the stretch and then moved up on the outside in the run home and slowly wore down Big Sapp, which had set the pace to the stretch head. The latter had a wide margin for second place over Rock Bottom, which came from the rear in the closing stages to be third.

In the seventh Spirea repeated her sterling performance of Saturday and easily took the measure of her opponents at all stages. Gen. Cadorna and Belario fought it out in the stretch for second place and show honors, the former outgaming Belario at the end.

B. Creech scored his first win of the meeting when Traproe took the measure of her opponents decisively in the fifth. Little Manager finished a fast closing second after having met with much interference. Private Seth proved best of the others for the show.

SCOTLAND'S SPEED DISPLAY

Shows Fastest Move of Spring Season at Lexington—Revenue Agent Dead.

LEXINGTON, Ky., April 19.—The fastest move of the season at the Kentucky Association track was made this morning when Col. J. Swigert Taylor's brown colt Scotland, by Light Brigade—Elizabeth M., by Jack Atkin, trained by J. Tommy Taylor, worked three-eighths over the hill and through the stretch in :34⅘ seconds. This colt is a half brother of Prince Charles, by Hamlet, also bred and owned by Colonel Taylor, whose place near Frankfort bears the name Scotland, which he gave to this promising colt. This workout was two-fifths of a second faster than the three-eighths trial of W. E. Caskey's Kavanaugh yesterday morning, though it was the impression of the workout watchers that the track was perhaps faster than yesterday.

Capt. E. B. McKinley, of the Army Remount Service, has been advised that the government stallion Revenue Agent, by Sir Martin, is dead at Thomas McGaffrey's Sunny Slope Farm near Cincinnati from strangulated hernia. There were eighteen mares there to be mated with him. Captain McKinley is trying to arrange a substitute for him.

POMPEY FOR DERBY

trial for the distance shown by any horse at the local track this season.

In order to be on the safe side, Fred Kraft, trainer of Carlaris, called Dr. Henry Harthill to examine and treat the colt's injured hock this morning. The veterinarian probed and injected an antiseptic solution into the colt's injured member and gave it as his opinion that it would be at least a week before he could pronounce him cured of the ailment.

At the expiration of that period Dr. Harthill believes the colt will be as sound as the day he won the Coffroth Handicap. The treatment given by Dr. Harthill will cause no interruption to the colt's training.

John E. Madden paid another visit to Churchill Downs this morning and prior to returning to his home in Lexington he secured the contract on Danny McAuliffe, Louisville rider, who has been engaged for some time in helping to gallop the Madden horses. McAuliffe will leave Tuesday morning for the East with the stable, and will ride on the Metropolitan tracks in the Madden colors.

George Terri, manager of J. E. Widener's Elmendorf Farm, was a visitor to the Widener barn at Churchill Downs this morning. He had the pleasure of seeing a number of the two-year-olds that he bred at Elmendorf be put through their paces by trainer Ham Keene.

Jack McPherson received word from New Orleans that R. A. Fairbairn's Derby candidate, Longworth, which had to be left at the Fair Grounds track, owing to a slight illness, had fully recovered and that, in the company of nine others of the stable's horses that also had been on the ailing list, would be shipped to Churchill Downs Tuesday morning. Longworth was getting along famously in his training when stricken with illness. His trainer, however, does not believe it will cause much of a setback to the colt's Derby preparation.

J. B. Partridge came over from Lexington to see about securing stalls at the local track. He reported that his stable of nine horses was now at Lexington, having been shipped from Tampa. The better known ones in the string are Rasuli, a Derby eligible, Irish Lace, Geo. Groom, Red Lamp, Dr. Jiggs and Cuco. Jockey Cliff Barnett, who rode successfully for the Partridge stable at Tampa, also came over from Lexington to visit his folks, who live at Beechmont.

(SPECIAL CABLEGRAM.)

PARIS, France, April 19.—Homberg and Sibilat, owners of Filibert de Savoie, established a French record price for a foal when they purchased the colt by Ksar—Santa Maria, by Minoru, for 120,000 francs.

CHINN ACTED FOR WAGGONER

Texas Sportsman Authorized Big Offer for Carlaris Prior to His Victory in the Coffroth.

LEXINGTON, Ky., April 19.—Col. Phil T. Chinn made an honest-to-goodness effort to buy Carlaris from W. T. Anderson, and the bidding he did was for the account of W. T. Waggoner of Ft. Worth, Tex., though he was not aware of that until several wires had passed between he and Anderson.

Investigation discloses that the firm of Dale & Dalziel were commissioned by Mr. Waggoner to buy the horse for him. They knew of the business relations between Chinn and Anderson and they naturally went to Chinn with a request to get a price on the horse "for a gentleman who is amply able and willing to pay a good price."

The day before the running of the Coffroth Handicap and while Chinn was negotiating with Anderson, judge Sam C. Nuckols wired from Tampa that he was trying to buy Carlaris for the account of W. T. Waggoner and asked Chinn's assistance in getting the deal closed.

When Raymond Dale heard this he said: "Surely, the wires have become crossed, for my efforts are in behalf of Mr. Waggoner, and I will understand that his name was not to be divulged unless the colt should be bought."

By the time the "wires were uncrossed" by use of the long distance phone to Tampa and Ft. Worth, Carlaris had won the Coffroth Handicap and the negotiations were called off.

PUZZLE OF CHANCE PLAY

(Continued from first page)

laid over on him in the last sixteenth. He ran but one race after that, the Junior Champion, and while beaten, it took the fastest mile ever run by a two-year-old in America to bring Mars home half a length in front of him. When he went into winter quarters it was with a standing as one of the two or three best juveniles in America, and blood lines that recommended him possibly more than any of the others to be better at three than at two.

If Chance Play were of the slow beginning sort, one that needed much time to find his stride, it might be assumed that he was side-stepping the Withers for a strictly distance campaign. This theory would be strengthened by the selection of the Kentucky Derby, Belmont Stakes, Travers and Jockey Club Gold Cup as his principal engagements.

But if he is good enough to win the Belmont, it would seem that the Withers would certainly be within his powers, for speed rather than endurance appeared his forte last year. In the Junior Champion he set the pace from the start, and carried his field the first three-quarters in 1:12 flat.

Likewise, the stake from which he has been withdrawn would fit in nicely with his apparent schedule. Assuming that he is going for the Derby, he would still have nine days between that race and the Withers and nearly three weeks between the Withers and the Belmont. He is not engaged in the two important intervening handicaps, the Metropolitan or the Suburban, so that his calendar between the Kentucky Derby on May 15 and the Belmont Stakes on June 12 is practically blank.

The inescapable conclusion, it appears, is that either some error of judgment has caused a colt to be stricken from one of the richest and most coveted races of the year, a race perfectly conditioned for his powers and ideally dated for his schedule, or that the colt in question has not carried his juvenile promise over to his three-year-old form.

If the latter is the case—and trainers seldom make such grievous mistakes in races of that importance—then it would seem that the apparently high odds of 25 to 1 now offered against Chance Play in the Derby field are not so high after all.

WILSON-SALMON SILKS

stretch the former winning by half a length while Donarita was a head in front of Rusovia. In the early running Jacques showed in front and on the back stretch Hobson moved up and passed him. Munden in the meantime was nursing Flint along and rounding the far turn when he called on Flint the latter responded with a rush. When it came to a drive Flint hung on with good courage. Donarita had a rough journey going to the first turn, where she was buffeted about and crowded out of it. But for this she would undoubtedly have beaten the winner.

Body Guard made a runaway affair of the seventh race. He outran his rivals from the start, and in the run to the first turn opened up a lead of four lengths. Harvey then took him in hand for the remainder of the way, and he raced under restraint. At the finish he was three and a half lengths in front of Gray Gables, which in turn beat Stevens half a length for second place.
